ORDER DENYING REQUEST FOR ADJOURNMENT

Plaintiff has requested an adjournment of all proceedings in this case because of his health problems [Docket #17]. However, contemporaneously with this Order, the Court has filed a Report and Recommendation that the Complaint be dismissed with prejudice, pursuant to both the Rooker-Feldman doctrine and principles of res judicata. Plaintiff filed, and the Court reviewed responses to the motions to dismiss. If the District Judge accepts the Report and Recommendation, the case will be dismissed.

Accordingly, Plaintiff's motion for adjournment [Docket #17] is DENIED WITHOUT PREJUDICE.

SO ORDERED.
